

Services Provided: *Finishing, Formwork, Pumping, Reinforcing Supply, Shotcrete*

DISTINGUISHED PROJECTS

970 DENNY

Key Highlights:

- 40+ story apartment building.
- Used 386 steel fiber-reinforced concrete (SFRC) coupling beams to ensure the utmost safety in the quake-prone area.
- Achieved a 4-day deck cycle for 8 floors, while limited to a single shift and to weekdays.
